

**Judy Center Steering Committee Notes**  
**September 15, 2020**

Committee members were sent the power point and PD survey results from the partner survey sent in the spring prior to the meeting.

Members signed in by typing their name and agency in the chat box. If you did not do that, please email Kaymi and let her know you were there! Thanks!

The third slide of the power point served as the agenda.

- Kaymi provided an MOU update. Everything is complete and has been signed by the Superintendent of CCPS and sent to MSDE. We will send everyone a copy of their completed MOU.
- General information about Judy Center programming is included in the power point. There is a new online Google form. Here is the link: <https://forms.gle/HT81E9F7LzCoYfZ67>
- Partner satisfaction survey results were shared. We will be addressing any "neutrals" and "disagrees".
- PD input was discussed. Trends included mental health; virtual support; suggestions for how to best serve students with special needs; supporting parents, staff with behavioral issues (of children, not adults!); preparation for Kindergarten/Pre-K. We discussed which topics would best meet the needs of most of our JC Partners. It seems like those mentioned above would apply to most partner agencies. Please continue to send us suggestions for additional PD's.
- Agency Updates:
  - Katie Mack shared several updates from the Health Dept. You should have received them in a follow-up email from Kaymi already.
  - Suzanne Kristensen shared that Carroll Community College is still offering online sessions for ESOL and GED. Contact the college at 410.386.8630, [GED@CarrollCC.edu](mailto:GED@CarrollCC.edu), or [ESOL@CarrollCC.edu](mailto:ESOL@CarrollCC.edu).
  - Miya Gaskins shared that Potomac Case Management has added a second coordinator and can now meet the needs of all ages! Welcome Ellie Bentz! Referrals can still be made via the online form and can be found at PCMSINC.org. Or call them at 301.791.3087. If anyone wants to provide information for PCM to hand out at an upcoming drive-through event, send it to Miya.
  - Denise Laird shared the contactless pickup of books is still going on at the libraries. CCPL will officially reopen on 9/21. Patrons may go inside and get books and make copies, etc. Be sure to check out their Face Book page (see Outreach) and their YouTube channel.
  - Corey Hardinger sent information from Local Management Board. If you are interested in attending Bridges out of Poverty #2, you must have previously completed the first course. If you took the first one last year, you are fine to register for the second one now.
  - Kaymi also sent information about Mental Health First Aid in the follow-up email.

Thanks so much for attending if you were able to make it today! We hope to see everyone at our next Steering Committee meeting on November 10<sup>th</sup>, from 1-2 PM. More information will be coming, but this meeting will be virtual as well.

Stay safe and well!

Becky, for the Judy Center Community Specialists
