

Dear Parents/Guardians of SCHS Students,

Online registration for athletics at South Carroll High School will operate through a new website called **DragonFlyMax**. I have attached a few links for you to look over that will give you step by step instructions on how to register, upload forms, and soon be able to view team calendars and schedules all through one app. **Registration for Fall Sports** will begin Tuesday, June 9, 2020 and will close at 7am on August 12, 2020. Please ensure that your child is fully registered by this date and time to be eligible for fall tryouts which begin on August 12, 2020 (hopefully!)

DragonFly is a secure registration platform that provides you with an easy, user friendly way to register for our athletic programs, view team schedules, and receive messages from coaches and school administration through the app. It will help us to be more administratively efficient, environmentally responsible, and provide an electronic registration service convenience to our CCPS families. When you register through DragonFly, the system keeps track of your information in your parent and athlete profile. You enter your information only once for each family member for multiple sport programs.

Information needed to register:

You will need student ID information, health insurance information, and doctor information. You will need to upload all three pages of the Physical Examination Form (New to 2020 and can be found through our SCHS website <https://www.carrollk12.org/schools/high/sch/schoolforms/athletics/>) into the system. If you are unable to upload the Physical Examination forms, simply contact the school's main office or Athletic Director and schedule a time to bring the Physical Examination forms to the office. You can also send the Athletic Director a scanned copy of all 3 pages to t_novot@carrollk12.org

Registration Process:

Below are links that will direct you to:

-Download the DragonFlyMax app on your smartphone. **(Instruction attached)**

It is important that you download the app on your phone, the app will be the only way you can view schedules and receive important messages from the coach and Athletic Director.

-Register via the DragonFlyMax website.

Registering through the website will be the easiest way to fill out the contact info and uploading documents for your athlete.

-DragonFly Academy is a series of how to videos that will help you navigate through the registration process such as: filling out contact info, health info, and uploading and filling out electric forms.
