

Dear SC Families,

We are excited to start our school year again on September 8th. While we will begin our learning in a virtual setting, we are working to provide the best learning experience for all students. We will continue to send out more information to parents and students as we iron out all the details. Our goal is to provide an enhanced and rigorous virtual learning experience.

As many of you have noticed, student's class schedules are posted in Home Access Center. If you have a missing class, especially for the first quarter, please reach out to your counselor to schedule an appointment to finalize your course load.

South Carroll will follow a traditional bell schedule, with some modifications, for virtual learning.

South Carroll Virtual Learning Schedule

Mod	Class Time Including synchronous and asynchronous instruction and independent practice	Log in Time Students should log-in to Google meets each day by:
Mod 1	7:30 - 8:50	7:30 am
Advisory/ Cav Time	9:00 - 9:25	9:00 am
Mod 2	9:30 - 10:50	9:30 am
Mod 3	11:00 - 12:20	11:00 am
Lunch	12:20 - 1:00	
Mod 4	1:00 - 2:20	1:00pm

Our goal is to try to provide a similar structure to what our students are familiar with and what will help us easily move into a hybrid setting if/when the Board of Education decides. Distance learning for this upcoming semester will require more engagement from our students. Teachers will be providing more instruction and detail to their students at the beginning of the year. In general, students should log-in to Google Meets at the appropriate time for each mod, just like they would try to get to class on time in the building. Teachers will provide direct instruction or give directions at the beginning of each class period, followed by class activities, independent practice/support, or group work. Cav Time can be used by students as needed. Students will be expected to check-in with their advisor each Wednesday.

We appreciate your flexibility and support. We look forward to working with you in the coming weeks.
